BUILDING 2210 E Street	ROOM NO. 202	
REMARKS:  I have satisfied myself by personal investigation that the increases requested in the Building, Maintenance and Utilities Division are necessary insofar as the number of people requested is concerned.  The increase in the Mail Control Branch is prompted by a recent security survey of the courier service made by I&S. However, I instructed [redacted] to request a sufficient number of additional couriers to comply with the recommendations of I&S, but I had not anticipated over

that as many as ten additional positions would be required. You should satisfy yourself that this number is actually necessary and the request for increase should be subjected to review by Personnel and the Comptroller.

Whatever increase is granted will not affect personnel ceilings at this time.
